FOR THE PAST NINE YEARS, NATIONAL UNIVERSITY HAS PREPARED MORE CREDENTIALED TEACHERS THAN ANY OTHER SINGLE INSTITUTION OF HIGHER EDUCATION IN THE STATE, ACCORDING TO THE COMMISSION ON TEACHER CREDENTIALING.
Whether you’re new to teaching, an experienced professional, or moving up the administrative ranks, the School of Education has a program relevant to your needs and in a format that fits your lifestyle.

National University’s School of Education offers bachelor’s degrees, master’s degrees, certificates, and credentials in areas including teaching, school counseling, school psychology, special education, early childhood education, and school administration. Programs are offered on campus, online, or at your school, making it easier for you to achieve your goals. You’ll find the benefits of attending National University continue long after you earn your degree.

It’s no secret that across the nation there is a demand for quality teachers, education specialists, administrators, school psychologists, and counselors. National University has prepared more credentialed teachers than any other single institution of higher education in California for the past nine years, offering access to a wide network of educators to help you throughout your career. National University has more internship contracts with elementary and secondary school districts than any other university in California.

With a credential or degree from National University’s School of Education, you can enter or move ahead in the job market with the education, experience, and contacts you need. A leader in the field, National University prepares you for the challenges and joys a career in education can bring.

SCHOOL OF EDUCATION

National University’s School of Education boasts years of experience using professional preparation programs, partnerships with schools, and educational research to prepare you for your career in education. Since 1977, National University has been accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges (WASC) and the California Commission for Teacher Credentialing (CTC). Your education takes place in a learning community with quality, full-time faculty whose teaching, scholarship, and service enrich your learning environment as well as selected part-time faculty who exemplify quality in their fields.

Whether you choose to pursue a career in teaching, special education, early childhood education, administration, school psychology, or counseling, the School of Education is dedicated to scholarship, teamwork, active reflection, ethics and exemplary standards. Call 1.800.NAT.UNIV or visit www.nu.edu to find out more and enroll today!
UNDERGRADUATE PROGRAMS

THE UNIVERSITY IS APPROVED BY THE COMMISSION ON TEACHER CREDENTIALING AND IS A MEMBER OF THE AMERICAN ASSOCIATION OF COLLEGES FOR TEACHER EDUCATION

BACHELOR OF ARTS IN EARLY CHILDHOOD EDUCATION †

A Bachelor of Arts in Early Childhood Education prepares you for a fulfilling career working with young children to foster their development and learning. Designed according to national and state requirements, the degree is based on the competencies and guidelines established by the following:

- National Association for the Education of Young Children (NAEYC)
- Child Development Associates Competency Standards (CDA)
- California Child Development Permit Matrix
- California Pre-Kindergarten Learning Development Guidelines
- National Head Start Association (NHSA)

BACHELOR OF ARTS IN ENGLISH WITH A CALIFORNIA PRELIMINARY SINGLE SUBJECT CREDENTIAL †

The Bachelor of Arts in English with a Preliminary Single Subject Credential provides a rigorous education that prepares students for a career as a teacher of English at the middle and secondary school levels. The program stresses literary analysis, diversity, and critical thinking and written and oral communication skills through a rigorous curriculum of literature, composition, language and linguistics, and communication studies. This program prepares candidates for professional work as single subject teachers. Candidates are required to complete all required coursework as well as the California Basic Educational Skills Test (CBEST) and California Subject Examination for Teachers (CSET) to receive a credential.

† DENOTES PROGRAM OFFERED COMPLETELY ONLINE.
BACHELOR OF ARTS IN BIOLOGICAL SCIENCE WITH A CALIFORNIA PRELIMINARY SINGLE SUBJECT CREDENTIAL

The Bachelor of Arts in Biological Science with a Preliminary Single Subject Credential prepares candidates for a career as a teacher at the middle and secondary school levels. The program stresses a foundation in biological science and its application. This program prepares candidates for professional work as single subject teachers in a changing cultural and economic environment. All candidates must take the CBEST or other basic skills option prior to admission and pass the examination before student teaching. CSET passage is also required before student teaching.

BACHELOR OF ARTS IN EARLY CHILDHOOD DEVELOPMENT WITH A CALIFORNIA PRELIMINARY MULTIPLE SUBJECT CREDENTIAL

The Bachelor of Arts in Early Childhood Education with a California Preliminary Multiple Subjects Teaching Credential prepares candidates for a career as a teacher in preschool through and the early elementary grades. Candidates are exposed to essential knowledge, strategies, and techniques across the disciplines as they apply to educating young children. The focus is on an enriched and thought-provoking curriculum that incorporates content across subject areas, specific educational methodology courses, and preparation for professional work as multiple subject teachers, primarily for kindergarten through second grade.

BACHELOR OF ARTS IN INTERDISCIPLINARY STUDIES WITH A CALIFORNIA PRELIMINARY MULTIPLE SUBJECT TEACHING CREDENTIAL

The Bachelor of Arts in Interdisciplinary Studies with a Preliminary Multiple Subject Teaching Credential (California) provides a broad, rigorous education that prepares students for professional work as multiple subject elementary school teachers in a changing cultural and economic environment. The enriched and thought-provoking curriculum incorporates content across subject areas and specific educational methodology courses. Degree candidates must demonstrate subject-matter competency through CBEST. This major is designed to help prepare candidates for the CSET examinations.

BACHELOR OF ARTS IN MATHEMATICS WITH A CALIFORNIA PRELIMINARY SINGLE SUBJECT CREDENTIAL

The Bachelor of Arts in Mathematics with a Preliminary Single Subject Credential provides a rigorous education that prepares candidates for a career as a teacher of mathematics at the middle and secondary school levels. The program stresses foundation in mathematics and its application. This program prepares candidates for professional work as single subject teachers in a changing cultural and economic environment. Candidates are required to complete all required coursework as well as the Basic Skills requirement and CSET to receive a credential.

THESE PROGRAMS COMBINE A DEGREE WITH A TEACHING CREDENTIAL, ENABLING YOU TO GET A MORE EFFICIENT EDUCATION IN LESS TIME.
GRADUATE PROGRAMS

MASTER OF ARTS IN ACCOMPLISHED COLLABORATIVE LEADERSHIP

This program is designed for teachers who wish to become National Board Certified and develop the leadership skills necessary to work collaboratively with school administrators to effect meaningful school change. An accomplished school leader is a teacher with National Board Certification who assumes a collaborative leadership role by serving on school committees, acting as a club sponsor, or team coach, or working with administrators as a change agent within the school. At the conclusion of the program, in addition to receiving a master of arts degree, candidates have an opportunity to submit their portfolios and take the exam required for the National Board for Professional Teaching Standards certification process.

MASTER OF ARTS IN LANGUAGE TEACHING AND LEARNING †

The Master of Arts in Language Teaching and Learning is for practicing and potential teachers interested in acquiring the knowledge, skills, abilities, and authorization to teach English Language Learners. The program includes specializations for candidates interested in teaching in bilingual classrooms where the students’ language of origin is predominately Spanish. An additional specialization in Teaching and Learning in a Global Society is designed to provide non Spanish speaking candidates with the knowledge and skills to effectively teach diverse students.
THE MASTER OF ARTS IN TEACHING † (CORE COURSES ARE AVAILABLE 100 PERCENT ONLINE BUT ONLY SOME SPECIALIZATIONS ARE; SEE BELOW)

The Master of Arts in Teaching (MAT) degree helps teachers enhance their skills, broaden their intellectual and professional understanding of educational theory and practice, and continue to grow as instructional leaders in K-12 settings.

Specializations in, autism, best practices, early childhood education, educational technology, National Board Certified Teacher (NBCT) Leadership, reading, teacher leadership, and teaching and learning in a global society can be completed 100 percent online. Specializations in applied behavior analysis (ABA), early childhood special education, and special education are also available. The NBCT specialization is uniquely scheduled to align the NBPTS portfolio submission dates and serves as the thesis project for the MAT degree.

† DENOTES PROGRAM OFFERED COMPLETELY ONLINE.

THE MASTER OF ARTS IN TEACHING CAN BE COMPLETED IN 10 MONTHS.
GRADUATE PROGRAMS CONTINUED

MASTER OF SCIENCE IN APPLIED SCHOOL LEADERSHIP

[Offered in partnership with Santa Clara County Office of Education (SCCOE)]

This program is offered in collaboration with the SCCOE’s “Leaders in Educational Administration Program” (L.E.A.P) and is comprised of six courses leading to the Preliminary Administrative Services (Tier I) Credential. Students must also take an additional six required National University courses for the completion of this degree.

MASTER OF SCIENCE IN EDUCATIONAL ADMINISTRATION †

In this program, students will gain expertise in matters related to educational leadership and develop the capabilities and personal characteristics essential for efficient school administration. This degree can be completed with or without a credential option for those pursuing a career in the nonpublic education sector. Only the courses in the program that finish the credential are not online.

MASTER OF SCIENCE IN EDUCATIONAL COUNSELING

The Master of Science in Educational Counseling is aligned with national standards and prepares students for the position of school counselor. Graduates of this program generally seek employment as school counselors in K-12 school districts and must hold a PPSC credential for public school employment.

MASTER OF SCIENCE IN INSTRUCTIONAL LEADERSHIP

Developing leadership skills for students interested in becoming a school leader or administrator, this degree combines the five National Board Certified Teaching (NBCT) courses with five leadership courses from the Educational Administration program. Development of the NBCT portfolio serves as the thesis project. Adding three more courses within seven years may earn the student a preliminary administrator license.

MASTER OF SCIENCE IN JUVENILE JUSTICE SPECIAL EDUCATION

The Master of Science in Special Education with emphasis in Juvenile Justice is designed for educators and other professionals who want to become more knowledgeable about educational learning problems and teaching strategies to enhance performance of students in alternative educational settings, court school, or those who reside in juvenile hall.

MASTER OF SCIENCE IN SCHOOL PSYCHOLOGY

This program is aligned with national standards and prepares students for the position of school psychologist. Graduates of this program generally seek employment as a school psychologist in K-12 school districts and must hold a PPSP credential for public school employment.

NATIONAL UNIVERSITY RANKS AS ONE OF CALIFORNIA’S TOP INSTITUTIONS OF HIGHER LEARNING FOR PROVIDING MASTER’S DEGREES IN EDUCATION TO MILITARY STUDENTS.
MASTER OF SCIENCE IN SPECIAL EDUCATION
The Master of Science in Special Education is for educators and other professionals who want to become knowledgeable about educational learning problems and teaching strategies to enhance student performance.

In this program students build expertise in educational learning difficulties and learn new methodologies to enhance student performance.

MASTER OF SCIENCE IN SPECIAL EDUCATION – EMPHASIS IN THE DEAF AND HARD-OF-HEARING †
This degree is designed for educators and other professionals who want to become knowledgeable about educational learning challenges and teaching strategies to enhance performance of students who are deaf and hard-of-hearing.

EDUCATION INTERNSHIPS
The University Internship credential programs provide opportunities for students to assume the responsibilities of full-time “teachers of record” while completing the credential coursework required for their Level I Education Specialist preparation program. Interns must have an offer of employment from an approved school district or non-public school that either has, or is willing to enter into, a partnership agreement with National University. The University Internship credential students meet the requirements of No Child Left Behind [NCLB]. Available special education internships include:

- University Internship Credential Program for Education Specialist: Mild/Moderate or Moderate/Severe Disabilities
- University Internship Credential Program for Education Specialist: Mild/Moderate or Moderate/Severe Disabilities with Concurrent Multiple or Single Subject Credential with BCLAD option
- University Internship Program for Education Specialist Credential: Deaf and Hard-of-Hearing

UNIVERSITY INTERNSHIP CREDENTIAL PROGRAM FOR MULTIPLE SUBJECT/SINGLE SUBJECT TEACHING
The Internship credential programs provide opportunities for students to assume the responsibilities of full-time “teachers of record” while completing the credential coursework required for a Preliminary credential. Interns are salaried credentialled employees of a school or agency and must have an offer of employment from an approved school district or agency that has or is willing to enter into a partnership agreement with National University. University Internship credential students must meet the requirements of No Child Left Behind.

CLEAR LEVEL II EDUCATION SPECIALIST CREDENTIALS
In California’s credential structure, Level II preparation is intended to enable new teachers to apply their Preliminary Level I preparation to the demands of professional positions while also fostering advanced skills and knowledge. The emphasis of the professional preparation program is to move special educators beyond the functional aspects of teaching to more advanced knowledge and reflective thinking about their roles in providing effective instruction and an environment for student success.

- Clear Level II Education Specialist: Mild/Moderate Disabilities
- Clear Level II Education Specialist: Moderate/Severe Disabilities
- Clear Level II Education Specialist: Deaf and Hard-of-Hearing

† DENOTES PROGRAM OFFERED COMPLETELY ONLINE.
CALIFORNIA CREDENTIAL PROGRAMS

ADMINISTRATIVE SERVICES CREDENTIAL PROGRAMS

These programs prepare students who are committed to improving education for careers in various levels of public school administration. Administrative Services Credential programs include:

- Preliminary Administrative Services Certificate/Credential
- University Internship Credential Program for Administrative Services
- Clear Administrative Services Credential

EDUCATION SPECIALIST CREDENTIAL PROGRAMS

Prepare for teaching positions where students in the K-12 public school system who have mild/moderate or moderate/severe or Deaf and Hard-of-Hearing disabilities are served with a specific Preliminary Level I Education Specialist Credential. Programs available include:

- Preliminary Level I Education Specialist Credential: Mild/Moderate Disabilities with English Learner Authorization
- Preliminary Level I Education Specialist Credential: Moderate/Severe Disabilities with English Learner Authorization
- Preliminary Level I Education Specialist: Moderate/Severe Disabilities with Multiple or Single Subject Credential Concurrent with BCLAD option
- Preliminary Level I Education Specialist: Moderate/Severe Disabilities with Single Subject Credential Concurrent with BCLAD option
- Preliminary Level I Education Specialist Credential: Deaf and Hard-of-Hearing with English Learner Authorization
- Preliminary Level I Education Specialist Credential: Deaf and Hard-of-Hearing with Multiple or Single Subject Credential
PUPIL PERSONNEL SERVICES CREDENTIAL PROGRAMS

These credential programs authorize the holder to serve as an educational counselor or school psychologist at any K-12 grade level. Pupil Personnel Services Credential Programs include:

- Pupil Personnel Services Credential School Counseling
- University Internship Pupil Personnel Services Credential School Counseling
- Pupil Personnel Services Credential School Psychology

TEACHER EDUCATION CREDENTIAL PROGRAMS

In these programs, you can earn the specific credential you need for various teaching environments. Earn a multiple subject credential to teach in a self-contained classroom, typically in grades K-12. The single subject credential authorizes the holder to teach in a departmentalized situation, typically at the junior high or high school level. The SB2042 multiple subjects credential and the single subject credential include an authorization to teach English language learners both in the general education classroom and in designated classes. National University Teacher Education Credential programs include:

- Preliminary Multiple Subject Teaching Credential Program with BCLAD Option
- Preliminary Single Subject Credential Program with BCLAD Option
- University Internship Credential Program for Multiple Subject/Single Subject Teaching
- Holders of Ryan Credential with CLAD and AB 1059
- Holders of a Preliminary 2042 MS/SS Teaching Credential
- Clear Credential for Holders of Out-of-State Teaching Credential
- Career Technical Education Credential
- Advanced 5th Year Study – Clear SB 2042 Credential

IN THE PAST 10 YEARS, 11 NATIONAL UNIVERSITY ALUMNI HAVE BEEN NAMED SAN DIEGO COUNTY TEACHER OF THE YEAR.
CERTIFICATE PROGRAMS

APPLIED BEHAVIOR ANALYSIS CERTIFICATE
The five-course sequence in applied behavior analysis is designed to prepare candidates for the national certification examination sponsored by the Behavior Analyst Certification Board.

AUTISM CERTIFICATE †
This certificate is designed for those interested in finding out more about working with and teaching those that fall within the Autism Spectrum Disorder.

NATIONAL UNIVERSITY’S SCHOOL OF EDUCATION IS COMMITTED TO PREPARING STUDENTS FOR LIVES OF PERSONAL GROWTH, PROFESSIONAL DEDICATION, AND COMMUNITY SERVICE.

† DENOTES PROGRAM OFFERED COMPLETELY ONLINE.
CALIFORNIA READING CERTIFICATE †
The California Reading Certificate authorizes the holder to assess student reading and provide reading instruction in response to those assessments. Reading Certificate holders are also authorized to develop, implement, and adapt the reading content curriculum and assist classroom teachers in these areas.

EARLY CHILDHOOD EDUCATION CERTIFICATE †
This four-course program is designed to give students the teaching experience necessary to meet the unique needs of children from birth to age 8.

CALIFORNIA READING CERTIFICATE †
The California Reading Certificate authorizes the holder to assess student reading and provide reading instruction in response to those assessments. Reading Certificate holders are also authorized to develop, implement, and adapt the reading content curriculum and assist classroom teachers in these areas.

EARLY CHILDHOOD EDUCATION CERTIFICATE †
This four-course program is designed to give students the teaching experience necessary to meet the unique needs of children from birth to age 8.

EARLY CHILDHOOD SPECIAL EDUCATION CERTIFICATE
For individuals who have completed Level II coursework in special education and hold a Professional Specialist Credential, Mild/Moderate or Moderate/Severe disabilities, completion of the certificate extends teaching authorization from birth through age 22.

EDUCATIONAL TECHNOLOGY CERTIFICATE †
This will develop expertise in designing and conducting technology-facilitated instruction in K-12 technology coordination, site administration, home school and virtual school instruction, and online instruction in higher education.

NATIONAL BOARD CERTIFIED TEACHER LEADERSHIP CERTIFICATE †
This certificate is designed for any teacher who may already have a master’s degree, but would benefit by earning graduate credit for five NBCT courses that support them as they explore and develop the NBCT portfolio at any level: exploration only, as a pre-candidate, active candidate, or renewal candidate. National Board Certification serves teachers in K-12 schools and in nearly all subject areas.

LAST YEAR, 25 PERCENT OF SAN DIEGO COUNTY TEACHER OF THE YEAR NOMINEES WERE NATIONAL UNIVERSITY ALUMNI.
As a result of its many partnerships, National University offers specific programs for students seeking to teach in Nevada.

**BACHELOR OF ARTS IN ELEMENTARY EDUCATION WITH NEVADA LICENSURE**

This degree provides a broad, rigorous education that prepares students for a career as an elementary school teacher. The program gives candidates an enriched and provocative curriculum that incorporates content across subject areas with courses in specific education methodology.

**BACHELOR OF ARTS IN SECONDARY EDUCATION, MAJOR IN ENGLISH WITH NEVADA LICENSURE**

This degree prepares candidates for a career as a teacher of English at the middle and secondary school levels. The program stresses literary analysis, diversity and critical thinking, and written and oral communication skills through a rigorous curriculum of literature, composition, language and linguistics, and communication studies.

**BACHELOR OF ARTS IN MATHEMATICS EDUCATION WITH NEVADA LICENSURE**

Prepare for a career as a teacher of mathematics in middle or secondary schools with this degree. Coursework stresses a foundation in mathematics and its application.
MASTER OF ARTS IN TEACHING

The Master of Arts in Teaching degree helps those who already hold a Nevada teaching license enhance their skills, broaden their intellectual and professional understanding of educational theory and practice, and continue to grow as instructional leaders in K-12 settings. Specializations are offered in applied behavior analysis (ABA), autism, best practices, early childhood education, early childhood special education, educational technology, National Board Certified Teacher (NBCT) Leadership, reading, special education, teacher leadership, and teaching and learning in a global society. The NBCT specialization is uniquely scheduled to align the NBPTS portfolio submission dates and serves as the thesis project for the MAT degree.

MASTER OF EDUCATION IN ELEMENTARY EDUCATION WITH NEVADA LICENSURE

This program with Nevada licensure is designed for students who seek to become instructional leaders in the elementary classroom setting. It will also broaden teachers’ intellectual and professional competencies by interrelating educational theory and practice for the purposes of promoting their lifelong learning goals. The program is intended for students who want to obtain an initial teaching license and master’s degree at the same time. The student teaching courses are required for the initial teaching license.

MASTER OF EDUCATION IN SECONDARY EDUCATION WITH NEVADA LICENSURE

This program with Nevada licensure is for students who seek to become instructional leaders in the secondary education classroom setting. It will also broaden teachers’ intellectual and professional competencies by interrelating educational theory and practice for the purposes of promoting their lifelong learning goals. The program is intended for students who want to obtain an initial teaching license and master’s degree at the same time. The student teaching courses are required for the initial teaching license.

MASTER OF SCIENCE WITH LICENSURE IN SPECIAL EDUCATION

The Generalist in Special Education endorsement is based on the premise that meeting students’ special instruction needs requires knowledge of a wide array of teaching strategies.

The Master of Science with Licensure in Special Education is designed to present a variety of methods, techniques, and opportunities to develop the skills required to create and implement programs that will positively impact the learning of K-12 students with special needs across developmental domains.

ADMISSION TO NATIONAL UNIVERSITY IS SIMPLE. TO SPEAK WITH YOUR OWN PERSONAL ADVISOR, CALL US TODAY AT 1.800.NAT.UNIV, OR VISIT OUR WEBSITE AT WWW.NU.EDU TO APPLY ONLINE.
YOU DECIDE WHERE TO GO. WE’LL HELP YOU GET THERE.

At National University, we’ve simplified the admissions process because we know our students demand accessibility. Our evening-focused, accelerated format means earning your associate’s, bachelor’s, or master’s degree won’t interfere with your personal or professional obligations.

We make attending your classes simple while maintaining high quality degree offerings. National infuses quality into all of its programs, from business to information technology to psychology and education. Our curriculum combines concept, theory, and application so that what you learn in the classroom is relevant to the workplace.

OUR REPUTATION SPEAKS FOR ITSELF

The second-largest nonprofit, private institution of higher learning in California, National provides more master’s degrees in education to minority students than any other college or university in California. National University also ranks in the Top 10 nationally in granting master’s degrees to women.

EARN YOUR DEGREE ON YOUR SCHEDULE

Because National has 26 campuses throughout California and one in Nevada, there’s probably a location near your work or home. You can also find program information, talk with a counselor to create an education plan to meet your goals, and learn about financial aid options at National University.
Online Information Centers located in Sacramento, Temecula, and West Covina in, California; Summerlin, Nevada; Orlando Florida; and Lima, Peru. And since National offers many of its credentials and degrees online, your education goes where you go.

LEARNING RESOURCES AT YOUR FINGERTIPS

National University provides you with modern technology in its classrooms, onsite labs, and beyond. You can access your grades, class schedules, and financial aid information from your online student portal. The National University Library System offers numerous services to help you complete your coursework and contains one of the larger e-book collections in the U.S.

When you need answers or assistance, Student Concierge Services is your one-stop center. Advocates are trained in a range of areas such as financial aid, credentials, admissions, and graduation. They can be reached by phone and e-mail 24 hours a day, seven days a week.

THE UNIVERSITY OF VALUES

Our University is dedicated to educational access and academic excellence, and provides challenging and relevant programs that are learner-centered, success-oriented, and responsive to technology. National University is anchored by the core values of quality, access, relevance, accelerated pace, affordability, and community.

A HISTORY OF LIFELONG LEARNING

Since 1971, National University has been dedicated to making lifelong learning opportunities accessible, challenging, and relevant to a diverse student population. National’s academic and administrative headquarters are located in La Jolla, California.

FUNDING YOUR EDUCATION

Financial aid advisors can help you navigate the financial aid process so you can find a way to pay for school. Funding may also be available in the form of state and federal grants, scholarships, loans, or tuition reimbursement.
